

# Ceremony Information Kit

## Your Commitment Ceremony – What’s involved?

*Firstly, a big congratulations on finding your special person! What a wonderful feeling love is. I am honoured to be considered to officiate your Commitment Ceremony.*

---

A Commitment Ceremony can run according to exactly the way you want! If you like, it can include all of the elements of a traditional Ceremony, which typically runs for about 25 minutes or you can rewrite everything and create your very own unique Ceremony – it’s totally up to you! I can help guide you every step of the way to ensure you are 100% happy with your Ceremony that flows seamlessly and is very YOU.

*Let’s have a look at the entire process in detail..*

### 1. **Our face-to-face meeting**

During this meeting, we will thoroughly discuss everything you would like to include / not include in your Ceremony. After the meeting, I will ask you to email me what you love about each other (separately) as well as “your story” so that I can busy myself writing the first draft of your Ceremony within 2 weeks and email it to you. From here, you can change any or all of it, and we will continue this process until you are 100% happy!

### 2. **Fees**

My services as your Marriage Celebrant are confirmed upon my receipt of payment. It is preferable for this payment to be made by direct deposit either before, during or immediately after our face-to-face meeting. Once you have decided to book me, I will send you an invoice with my direct deposit details attached.

---

And that’s literally all there is to it! I will be here at every step of the way to make sure you are happy and to answer any questions you may have.

Please do not hesitate to email me or phone me if you have any questions.
